About Paul

Paul Schuster represents healthcare providers on a range of litigation and regulatory matters, including contractual disputes, statutory violations, industry regulations, business torts and class actions. He also has extensive experience representing clients in technology, antitrust, securities, owner/shareholder, consumer finance, insurance and real estate disputes.

Prior to joining Bracewell, Paul was a litigation partner at an international law firm. He also served as a law clerk to the Honorable Joseph T. Sneed of the US Court of Appeals for the Ninth Circuit.

Recent Notable Matters

Health plan — dispute with selling entities over matters covered by membership interest purchase agreement*

National distributor — defended client in a lawsuit brought by competitor asserting per se antitrust violations*

Hospitals — antitrust suits where physicians were alleging anticompetitive conduct and various antitrust allegations*

Private equity fund — antitrust claims against major competitor in medical device industry*

Physicians — disputes with physician-led acquiring entity*

Medical device manufacturer — represented industry newcomer in unfair competition claim against market-dominant player*
