## 2016 Election: Outlook for the Clean Power Plan and Other Environmental Issues

November 11, 2016

By: [Scott H. Segal](#) and [Jeffrey R. Holmstead](#)

Scott Segal, co-head of Bracewell's Policy Resolution Group, and Jeff Holmstead, head of the Environmental Strategies Group at Bracewell, discuss how the next President and Congress will confront issues such as climate change, the Clean Power Plan, and other environmental regulations.
